SHOP IN THE NAME OF LOVE

Blessings Boutique was designed as a long term fundraising project for our place of safety where we care for abandoned and neglected children. This house is called ABBA House.

Blessings Boutique is a beautiful little boutique shop, where we are able to sell second hand clothing, art and home made items, in order to raise funds for our children in need.

Blessings Boutique is a shop where you can shop for affordable item, thrift items, and many more.

Whether you come to shop, donate or just have a coffee, you will help and bless a small child in need.

Blessings Boutique is the little shop where you can shop for all the right reasons.

We do not buy clothing, but gladly accept donations, which we can sell with your permission.

We also provide clothing to all our children in need at our projects, out of this little shop.
